Unique Surfaces

Proton Granito is a leading manufacturer and exporter of Carving Finish Tiles, headquartered in Morbi, India. With a strong foundation built on integrity, quality, and excellence, Proton is committed to delivering superior products and outstanding customer service.

We utilize the most advanced Italian technology and imported high-tech automated machinery, adhering strictly to international standards. This enables us to deliver products that meet global expectations in terms of both design and durability.

The Evolution Of timeless

Inspired by evolution itself, this new ceramic finish goes beyond the static, creating a dynamic texture that flows seamlessly across the surface.
