

# **TRANSFORMING ORDINARY SPACES INTO**EXTRAORDINARY WITH OUR TILES.

Double charge tiles are thicker than the majority of standard tiles because they are produced by fusing two layers of tiles together. They are very strong as a result. A bedroom, living room, dining room, restaurant, hospital, showroom, and high foot traffic areas are just a few of the places where these tiles are appropriate.

#### **APPLICATION**

#### AREAS

Granito made surfaces which are adorn your space and stable in any condition and also easy to applicable anywhere we can call that a timeless beauty
